Worried about the success of current program?

CTE

Worried about the success of current program?

ADMINISTRATOR

Confused on handling high school students who are licensed before graduation?

DAY

Thinking of starting a program?

Administering Barber & Cosmetology Programs is **CHALLENGING!** You will often hear us say, "it is a whole different animal!" Join us for this one day event where you can hear from state agencies and testing providers in the morning, followed by a special administrator session in the afternoon!
